PROFESSIONAL EXPERIENCE

Experienced Flutter Developer with 3 years of expertise in developing high-performance, cross-platform mobile applications. Proficient in Flutter and Dart for creating responsive, scalable mobile apps for iOS and Android. Skilled in UI/UX design with a strong understanding of user-centered design principles, utilizing Figma for wireframing, prototyping, and creating visually appealing interfaces. Experienced in integrating APIs, optimizing app performance, and ensuring seamless user experiences across platforms. Adept at working in Agile environments, collaborating with cross-functional teams, and delivering high-quality code. Passionate about continuously learning and applying new technologies to improve user experience and app functionality.
